# THE RED HAND

ig @theredhand\_band | theredhand.bandcamp.com

SPECIES: foreboding surf sci-fi punk

CENTER OF OPERATIONS: Philadelphia, PA

MEMBERS: ANDY, JULIAN, MIKE, WYATT

## ANDY

WEAPON OF CHOICE: bass

WORSHIPS: Rush, Primus

EARLY LIFE: played **alto** sax from 4th grade

AFFINITIES: **history, baseball**

MOTIVE: it's a creative outlet; he's made lifelong friends doing it

## JULIAN

WEAPON OF CHOICE: drums

WORSHIPS: metal, alt rock, '90s indie rock

EARLY LIFE: **started** at 15 at a friend's space

AFFINITIES: movies, playing cards, board games

MOTIVE: it's the **only** thing he's good at; it's the best feeling in the world **when you lock in**

## MIKE

WEAPON OF CHOICE: guitar

WORSHIPS: Fugazi, The Watchmen, The **Gun** Club

EARLY LIFE: **started playing** in bands at age 16 and has been going since

AFFINITIES: comic book art, video game music

MOTIVE: brother was in many bands as a **kid**; **it was inevitable**

## WYATT

WEAPONS OF CHOICE: guitar, **vocals**

WORSHIPS: DEVO, Oingo Boingo, Adam and the Ants

EARLY LIFE: dad is a musician; has been **playing** for 15 years

CRAFTS: sculpting, drawing

MOTIVE: thought **it** would make him **cool**; always liked music

GENESIS: WYATT started the project while living in North Carolina with his best friends from Philly. When he moved back to Philly, he missed being in a band, but kept working on the project by making sculptures of creatures while living with MIKE. MIKE and his cousin were interested in the story, so they decided to form a band and start playing the songs again.

IMPETUS: they received a series of cassette tapes that had some information about the future in 2045 (not too far away); the only way they could spread the message they've been trusted with is through their songs

NAMESAKE: a warning signal to stop the path we are currently on; also an entity that will arrive on earth

PRAXIS: WYATT usually writes a song on guitar and brings it to the rest of the band, then they write parts. Lately MIKE and ANDY have been more involved with writing

FACTUS: MIKE recorded their first album in the basement of their old house; WILL MILLER from Red Water Recording recorded their latest EP

DOGMA: anti-technology, fear and panic, creating physical things and going outside while you still can

RECENT WORKS: Hot For Creature, The Red Hand

LIKELY NEXT MOVES: playing more shows, elaborate stage effects for their shows, making an explanatory slideshow

# nadafinger

ig @nadafingerband | nadafinger.bandcamp.com

SPECIES: stupid music for dumb people, goofy noise rock, no wave, the YouTube Poop of music

CENTER OF OPERATIONS: Philadelphia, PA

MEMBERS: CARLA DICKIE, JOHNNY DICKIE, JON BALBI

*SEE VOL. 5*

## CARLA DICKIE

WEAPONS OF CHOICE: bass, vocals

EARLY LIFE: started singing in "goofy little punk bands" at age 16

INDULGES IN: booking events at her family's business, drawing, making movies

MOTIVE: the love of the game

## JOHNNY DICKIE

WEAPONS OF CHOICE: drums, vocals

EARLY LIFE: started playing in bands at age 16, following in the footsteps of his older sister

INDULGES IN: making movies

MOTIVE: the love of the game

## JON BALBI

WEAPONS OF CHOICE: guitar, vocals

EARLY LIFE: started playing guitar seriously at age 16; recently started playing it un-seriously

INDULGES IN: making crafts and tchotchkies and peddling them at the market, doing the art for the band, making adult movies

MOTIVE: the love of the game

GROWTH: Philly is full of great bands, so JON and JOHNNY thought it was time for a really great band and formed a 2-piece noise act. They played one show and it was terrible and embarrassing. Then they brought CARLA in, she played some shows, and they said, "this might just work out after all." NOT A: finger is touching this neck unless it's a fun noise

BIG INTO: Big Black, Butthole Surfers, The Residents, Ween, Haruomi Hosono, meme music

ACTION: They jam a lot. Sometimes one of them will come to practice with a song; sometimes one of them will send a bunch of song ideas into the groupchat, and instead of saying "I don't like it" they just don't say anything, so it makes everyone else in the band feel like they don't care, and then they go to practice and come up with an even worse song, and that's the one that gets recorded; sometimes two of them will pick out a third member and neg them very hard, and block their number, and make it so they can't log into the Instagram, and do that for a week or two until they're right on the edge, about to quit, then say, "no, no, oh my god, we love that idea, what are you doing?"

DEVICE: TASCAM Portastudio 4-track cassette recorder operated by JON

DOGMA: jokes that have become real songs

MESSAGE FOR US: "So many bands are either trying to be cool, or are too nervous to even try to be cool, or are trying to be nonchalant but just come off as boring. No one's making you get up there and play the music. No one's making you write these songs. If you're gonna play them, fucking play them."

RECENT WORKS: *Nadafinger* (demo), "Body Wars"

LIKELY NEXT MOVES: recording and releasing new songs, working on a movie

UPCOMING SHOWS: October 23rd (Cousin Danny's), 24th (PhilaMOCA), 25th (2nd Street Brew House) & 31st (Pouch-o-ween), 2025
