IN MEMORIAM: THE UNDERWORLD

REDLETTER RADIO

ig @redletter.radio

SPECIES: rock & roll, alt-rock, alt-country

CENTER OF OPERATIONS: Philadelphia, PA

MEMBERS: JONAS, LUCAS, RICKY

JONAS

WEAPONS OF CHOICE: bass, vocals

EARLY LIFE: started guitar at age 5 and bass and drums soon after

MUSES: Wilco, Jeff Tweedy

ECONOMIC ROLE: making dashcams for trucking companies

MOTIVE: music is the only way to express things that there's not a vocabulary for; the sound and stage presence of a full band has always been captivating to him

LUCAS

WEAPONS OF CHOICE: drums

EARLY LIFE: started playing drums in 4th grade

AFFILIATED ACTS: LEDGE SEE VOL. 2

MUSES: Dave Grohl, '90s rock and grunge, Wilco

ECONOMIC ROLE: student of photography

MOTIVE: something about playing drums scratches an itch in his brain; fell in love with playing shows while in School of Rock; loves the feeling of locking in with the rest of the band

RICKY

WEAPONS OF CHOICE: guitar, vocals

EARLY LIFE: started violin, saxophone, and piano around 4th grade, then guitar around age 13

MUSES: The Replacements, Jimmy Page, The Allman Brothers

ECONOMIC ROLE: engineer

MOTIVE: decided he wanted to play rock & roll when he heard the guitar solo in "Heartbreaker" from Led Zeppelin's How the West Was Won

LOCKING IN: Met while working at World Cafe Live and decided to jam together in March 2024. They immediately clicked, and JONAS brought "Thin Airs" to their second practice, which later became their first single.

MONIKER: originally named 3R after a secret room in World Cafe Live where "a lot of crazy stuff happened"; wanted something more catchy, so combined the phrase "red letter day" with their shared affinity for radio

KNOWN TO IMITATE: Wilco, Son Volt, Uncle Tupelo, grunge

IDEA MEN: JONAS and RICKY are the primary songwriters. Usually one of them will come in with a song written on acoustic guitar and they'll jam on it at practice. They tend to write a lot, then parse out the good ideas. *Underground Cartoons*

BENEFACITOR: They use MIKE WEIDENHAMMER's (JONAS' dad's) recording set up in the middle of nowhere, PA. They've got a couple of audio interfaces, a couple mics, and Studio One.

GROUP ACTIVITIES: playing Magic: The Gathering, a few D&D campaigns with some other friends, running around together

DOGMA: modern disillusionment with everything, general moods, free will vs. fate

MESSAGE FOR US: "Save World Cafe Live"

RECENT WORKS: "Late Dates," "Thin Airs"

LIKELY NEXT MOVES: playing more shows, working on an album

NOLAN WEAVER

ig @nolanweev

HOBBY OF THE WEEK: plants

HOT ONE: Recorded the EP in an un-airconditioned apartment on Chestnut Street. Several friends crammed in to help.

WEAVER'S WORLD: bright pastels and claymation represent the disgusting reality of South Philly from a childlike and delusional perspective

DOGMA: adults being big kids, contrast between happy music and whiney lyrics

MOTIVE: loves the feeling of creating something; it's an excuse to meet up with good people and do fun things

RECENT WORKS: *Nolan Weaver* EP, "Frogger," "LuuLuu"
